

Create an Account

In order to initiate a service request or set up notifications on your device, you must first create an account. To create an account, follow these steps.

Tap on the three stacked lines (“hamburger”) in the upper left corner of the screen.

Select **Create Account** from the menu.

Fill in the Name, Email, and Password fields, then tap **Sign-Up** to complete.

A screenshot of the Sanford Connects app registration form. The form is titled 'Register' and has a blue header bar. Below the header, the Sanford logo is displayed. The form contains three input fields: 'Name' (with 'John' and 'Doe' entered), 'Email' (with 'john@example.com' entered), and 'Password'. A 'Sign Up' button is located below the password field. At the bottom of the form, there is a link that says 'Already Registered? Sign In'. Below the form, there is a section titled 'Why do I need to Register?' with the text 'Registered users can get updates on requests.'
