

Downtown Sanford Marina Information for Thursday, July 4, 2024

The public boat ramps at Downtown Sanford Marina will close at 8 AM on July 4th. All remaining vehicles and trailers will be towed. Emergency Management will secure and monitor the area to ensure a safe fireworks show. Limited parking is available in the Municipal Parking Lot located at Palmetto Avenue and Seminole Boulevard.

Boats, already in the water by 8 AM and in the east basin, may enter Lake Monroe until 4 PM. No vessels may enter or exit the east basin of Downtown Sanford Marina after 4 PM due to the safety zone required for the fireworks show.

All boats may enter back into the Marina's east basin after the fireworks show and the Fire Marshall gives the all-clear following a safety check. (Approximately 10:15 PM)

Thank you for helping us make this a safe 4th of July!
